

## Hotel del Coronado Tour Policy

Hotel del Coronado (“Hotel”) is a historic property situated on one of the country’s finest beaches and consequently a major tourist destination. Although many groups wish to visit the Hotel for that very reason, the Hotel was not designed to accommodate large unauthorized tours who potentially pose safety and fire risks as well as disrupt the orderly operation of the Hotel. Below are our tour policies which further the Hotel’s goal of providing a pleasant and safe experience for our registered guests, in-house groups, social patrons and Team Members:

- 1) Only authorized tours conducted or supervised by Hotel staff are permitted to assemble on Hotel property;
- 2) Buses, vans and other transportation vehicles may not unload in the valet area, anywhere on property or any designated loading or red zones surrounding the Hotel;
- 3) Access to certain portions of the Hotel, including but not limited to, the Lobby, are restricted to registered hotel guests only;
- 4) Unauthorized tour groups may not congregate in public areas, pathways and impede pedestrian traffic nor hinder guests’ enjoyment and use of the Hotel;
- 5) Unauthorized tour groups wishing to access the beach should utilize side streets and access points on the side of the Hotel;
- 6) Unauthorized tour groups may not walk through parking lots posing a danger to drivers and themselves.

Please note that any violations of the above policies will be cause for removal and any recurring violations may result in possible criminal trespass charges. Please contact me directly at 619.522.8282 should have you any questions regarding the above. We thank you for your cooperation.

Sincerely,

Todd J. Condon  
Director of Security
